PROJECT PROFILE

PROJECT NAME	North Shore Stage 595B
LOCATION	Off Garland Road and Pascoe Drive, Burdell
ROLE	Principal Contractor
COMPLETED	September 2018
CLIENT	Stockland Developments Pty Ltd
PROJECT VALUE	Approx. \$550,000

PROJECT OVERVIEW

North Shore is located just 12km north of the Townsville CBD and is an award winning community that focuses on active outdoor living, education and health, all while being connected to the thriving North Shore town centre. Surrounded by parks and playgrounds, with schools, childcare, aquatic centre, gym, community clubhouse, sporting clubs and regular community events, North Shore is a master planned development.

North Shore is a connected green community with 9 parks, 8 playgrounds, 300 hectares of bushland, 9km of walking trails and a 6km Green Spine Parkland Corridor. Every home is no more than 200m from open space, and a network of paths and tracks connects residents to each other and the town centre.

Appointed as Principal Contractor, provision of civil construction and landscaping works for residential subdivision including bulk earthworks, road construction, culvert construction; stormwater drainage, water and sewerage reticulation; conduits (electrical / communications / NBN), erosion and sediment control works.

Hansen Constructions NQ accelerated works and were able to reduce the original sixteen (16) weeks allowed by the Client to complete Stage 595B, with all works completed and on-maintenance with Townsville City Council within eleven (11) weeks.
